This matter comes before the Public Service Commission of South Carolina (the Commission) on the request of KB Enterprises, Inc. DBA Two Men and a Truck (KB) for an amendment to its Bill of Lading. The requested change is located in the last sentence of the declaration of value clause. The new material will read as follows: "The Carrier's liability for loss and damage shall be \$30,000 unless a greater amount is specified by the shipper. The shipper shall have the option to purchase additional coverage against loss and damage at an added cost of \$.11 per \$100 up to a total of \$60,000. In no case would the carrier's liability for loss and damage be less than \$.60 per pound per article."

We agree with the amendment. It appears to us that the amendment gives a shipper greater flexibility with regard to purchasing coverage against loss and damage. We approve the amendment. KB must also comply with all Commission transportation

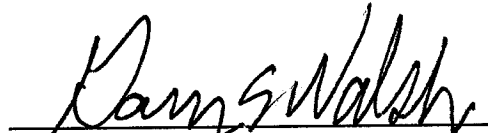

rules and regulations in the performance of its duties, except for those that are specifically waived by the Commission.

This Order shall remain in full force and effect until further Order of the Commission.
